

EASY-IN POOL ENTRY SYSTEM

NE132

- ✔ Perfect set-up for entry into aboveground pools with no deck
- ✔ Unlike standard A-frame ladders, the inside ladder is combined with an outside step making it easier to step into the pool
- ✔ Adjustable for use with 48" to 54" pools
- ✔ Outside step features a lockable gate to limit access to the pool when not in use

NOT SHOWN

- Max width of step = 32.5"
- Width of steps on ladder = 18"

MAXIMUM WEIGHT CAPACITY

300 Lbs.
