

Clean & Clear®

Cartridge Filter

By Pentair Pool Products®

Crystal clarity with cartridge convenience

The Clean & Clear® cartridge filter combines top-end filter performance with low maintenance. This dependable design uses special filter elements to strip tiny particles from your pool water...particles as small as 30 microns. (An average grain of beach sand is 1,000 microns!) And cleaning is a breeze. Open the top, remove the cartridge, hose it off and Clean & Clear is ready to go again.

We've maximized cartridge surface consistency to block and trap the maximum amount of solids. Plus, we use the most durable materials to extend cartridge life. Clean & Clear will keep your pool sparkling day in and day out.

- Cartridge is easy to remove and rinse.
- Clamp ring allows safe and easy access to cartridge and internal parts.
- Single-piece base and tank are constructed of fiberglass-reinforced polypropylene for strength and chemical resistance.
- High-flow manual air relief valve and continuous internal air relief work together to maintain optimum filtration efficiency at all times.

Clean & Clear®

Cartridge Filter

Clamp ring for safe and quick access to cartridges

Single-piece fiberglass reinforced polypropylene tank for strength and corrosion resistance

Easy access 1/2" drain

2" plumbing for maximum flow

Model Number	Filter Area Sq. Ft.	Vertical Clearance*	Filter Diameter	Flow Rate GPM		Turnover Capacity-Res. (Gallons)		
				Res.**	Com.	8 hrs.	10 hrs.	12 hrs.
CC 50	50	30"	15.5"	50	19	24,000	30,000	36,000
CC 75	75	39"	15.5"	75	28	36,000	45,000	54,000
CC 100	100	61"	15.5"	100	38	48,000	60,000	72,000
CC 150	150	76"	15.5"	150	56	72,000	90,000	108,000
CC 200	200	76"	15.5"	150	75	72,000	90,000	108,000

* Required clearance to remove filter elements.
 ** Maximum flow rate.

Carefree...by design

Like all Pentair Water Pool and Spa® cartridge filters, the Clean & Clear® filter features an easily-cleaned cartridge for the ultimate in carefree pool filtration. The fiberglass-reinforced tank halves are secured with an innovative clamp ring—just loosen the ring and remove the top half for easy cartridge access and rinsing. Filter maintenance doesn't get any easier:

- 1/2" drain and washout for quick and convenient maintenance and winterization.
- Innovative lock-ring requires only half of a revolution for a safe, leak-proof seal.

- 2" plumbing for maximum flow.
- Single piece base and body designed for maximum durability.
- One-year limited warranty. See warranty for details.
