ASSEMBLY TIPS

1. Find a clean, level surface to begin the assembly of your game. The game will be partially assembled upside down and then turned over onto its legs. This is a heavy game and turning it over will require at least two strong adults.

2. Remove all of the contents from box and verify that you have all of the parts shown on the Parts Identifier before you begin assembly. ***Note: Some parts may be pre-installed or pre-assembled***.

3. Some figures or drawings may not look exactly like your product. Please read and understand the text before beginning each assembly step.

4. When installing parts that have more than one screw or bolt, hand tighten all screws or bolts in place before finishing tightening with screwdriver or hex wrench.

5. Electric screwdrivers may be helpful during assembly; however, please set a low torque and use extreme caution because screws may be stripped or overtightened if the electric screwdriver's torque is set too high.

WARNINGS!
READ AND FOLLOW ALL ASSEMBLY, OPERATION AND SAFETY INSTRUCTIONS CAREFULLY.

CHOKE HAZARD - THIS TABLE CONTAINS SMALL BALLS AND PARTS - NOT
SUITABLE FOR CHILDREN UNDER 3 YEARS OF AGE.

PINCH HAZARD – USE CAUTION WHEN FOLDING AND UNFOLDING THE GAME.

CONGRATULATIONS!

You have now assembled your Basketball Game. Please note the Care and Use instructions below to ensure years of trouble free use of your game table.

CARE AND USE

1. This product is intended for INDOOR use only.

2. Do NOT sit, climb or lean on the game.

3. To inflate the basketballs, first remove the needle from the storage compartment in the pump handle and thread it into the end of the pump. Moisten needle before inserting into the basketball. Inflate basketball to desired size. Return needle to the storage compartment after inflating basketballs.

4. To play the game, first plug the power supply into the electronic scoreboard and then plug it into the wall outlet. Make sure the cord is placed out of the way to prevent players from tripping or becoming entangled.

5. The electronic scoreboard will turn off automatically after 5 minutes of inactivity. Press the reset button to restart the game.

6. Unplug the game after use. Always grasp the power supply at the outlet. Do not pull the cord to remove the plug from the wall outlet.

7. To store the game, fold both hinges down, lift the front of the game and fold the arms toward the back-board. Lock the arms closed with the attached pins.
How to Play:
The object of the game is to score the most points in each round. Each game consists of 3 possible rounds. The electronic scoreboard will keep the time – sound effects will indicate the end of each round. Players should continue shooting basketballs until the scoreboard indicates the end of the round. If enough points are scored, the player(s) may continue to play further rounds. After the game ends, the scoreboard will display the point total for each player.
